

LUMA 2/R FOR USE WITH FLOOR STAND

DRAPER®

The Luma 2/R is a large, portable spring-roller operated projection screen. A simple, practical choice wherever a large, portable spring-roller screen is required. Simple design, rugged construction. Housed in a steel case finished in black with matching endcaps.

Screen Type

Large portable spring-roller operated projection screen

Viewing Surfaces

- **OptiView Family** (self-supporting front screen surfaces): Matt White XT1000E

Features

- Floor Stand is required to operate Luma 2/R as a pull-up screen
- Case is scratch-resistant black plastisol or black carpeted
- Warranted for one year against defects in materials and workmanship

Options

- Optional 2" (5 cm) black borders available on AV format screens, no extra charge on request
- Optional Adjustable Floor Stand: Part No. 212001 (Sold Separately) Adjustable Floor Stand is made of heavy gauge steel and anodized aluminum. The Floor Stand supports the Luma 2/R in an inverted position at floor level. Telescoping upright, the Floor Stand holds top of viewing surface when extended (maximum of 12' (366 cm). Floor Stand assembles easily without tools. No Floor Stand component is longer than 6' (183 cm).

Sizes

- **4:3 NTSC/PAL Format**—from 10' (305 cm) to 15' (457 cm) diagonal
- **AV Format**—from 72" x 96" (183 cm x 244 cm) to 12' x 12' (366 cm x 366 cm) viewing area
- Custom sizes available
