

RC Series Lecterns

Add some panache to your presentation with Sound-Craft's Radius Corner series floor lecterns. Featuring 3" radius front corners, these curvilinear models offer a contemporary approach to lectern design. As functional as they are attractive, they are available in a variety of wood veneer, plastic laminate, or carpeted finishes in both 27" and 36" widths. The standard depth of 24" will easily accommodate up to 15 rack units or adjustable shelves in lieu of the standard fixed shelf. Casters are included on all floor units.

Available options include:

- Public address system
- Wireless microphone system
- Microphone and support arm
- Protective cover
- 220 volt power supply
- Euro-hinged doors with lock
- 15 space rack mount
- Cable port outlet
- Keyboard drawer
- Digital clock
- Folding document camera shelf
- Removable front access panel
